TESTIMONIALS

*What do our students and
parents have to say about
Catholic High?*

“

I am proud to be a Crusader because it means I can receive an education that incorporates my faith. By combining the two elements, I am always in a loving environment where I can truly thrive in academics.

Lauren Nowak, Class of 2023

“

I am proud to be a part of the family environment that Catholic High creates. My experiences at Catholic High have been outstanding, largely due to the quality of the people at CHS. All of the teachers and staff make an effort to get to know me and help me succeed.

Juliet Messerly, Class of 2023

“

I'm also proud to be a Crusader because of all we do to give back to our community, whether it be through Make a Difference Day or the Thanksgiving food drive.

Mariana Contreras, Class of 2024

“

It's about being a part of a family. My experience at CHS has been something that has changed my life. I have learned how to treat others, how to talk to God, and most of all, how others should treat me.

Virginia Lee, Class of 2024

“

I can attest to the excellent education that Catholic High provides. My children have loved their CHS experiences from Make a Difference Day, the athletic programs, National Honor Society, and everything in between! Making the commitment to send our children here was one of the best decisions that we have ever made.

We currently have a Junior and a Senior at Catholic High School, and have enjoyed all that the school has to offer. We genuinely appreciate that they can go to school in a safe, Christian, and effective learning environment. The administration, faculty, and staff are second to none. We highly recommend Catholic High School!
