

CLUBS

Extracurricular activities for everyone.

Clubs provide students with a broad range of extracurricular activities in which to engage. Our clubs are a fantastic way for students to make new friends by spending time together outside of the classroom. Some clubs are more social in nature, and some are related to academics. Other clubs focus on service projects, faith development, special interests, or raising awareness for an important cause.

- Art Club
- Board Game Club
- Catholic High Discipleship Group
- FCA (Fellowship of Christian Athletes)
- Green Club
- History Club
- International Club
- iRead Club

For more information about the club activities at PCHS, visit pensacolachs.org/clubs
