

Leadership Academy

OUTSTANDING YOUNG LEADERS OF AMERICA

JUNE 3-6, 9AM-12PM

AGES 14 - 18

Register online at upbeat.cool

The OYLA Leadership Academy offers a practical, interactive program that instills and develops not just the skills of a leader, but also the character of a leader. Students of the Academy will gain knowledge and skills in growing the leader within them, creating success in self and others, overcoming difficult situations (and people), building a rockstar team, and much, much more. Graduates of the academy will leave with the knowledge and skills to be effective leaders at home, school, church and in the community.

This year, our academy will be held at **Pensacola Catholic High School, June 3- 6, 2024 from 9:00 a.m. CT through 12:00 noon CT in the Student Life Center.** Cost for the entire week is **\$125.00.**

About the Academy Director

Denny Turner is passionate about developing leaders of all ages, but especially teenagers. Since 1977, he has led leadership workshops for middle school, high school, and college students across the United States. He also has wide experience in providing seminars for corporations, educational institutions, public service organizations, and sales teams. His unique approach to leadership is inspiring and motivating, of course. But it goes beyond that into building real confidence and skills academy graduates can use on day 1 of their leadership journey.

Mr. Turner is currently the Director of Performing Arts at Pensacola Catholic High School. He holds advanced degrees in Administration and Supervision and Educational Leadership. If you aspire to be a leader, join us for 4 days of more fun, energy, and growth than you can imagine.
