## PENSACOLA CATHOLIC HIGH ANNUAL REPORT

FOR FISCAL YEAR JULY 1, 2023 - JUNE 30, 2024

*Pensacola Catholic High School's Annual Report is a grateful acknowledgement to the many family and friends who are supporters of CHS and committed to our Mission. CHS is only able to fulfill its Mission because of the generous support of alumni, alumni parents, current parents, grandparents and friends, both individuals and organizations. May God bless all who contributed to our 2023-2024 Annual Gift-Giving Campaign, our Building on Faith, Family and Tradition Capital Campaign, and the various other initiatives at Catholic High.*

**YOUR UNSELFISH GIVING IS SO APPRECIATED!**

### OUR MISSION:

*To develop responsible Christian individuals by providing the finest in Catholic education.*

### OUR CORE VALUES:

- ♦ **Personal Integrity** – *We recognize the importance of being honest and Christ-like in making decisions and in the way we conduct ourselves.*

# LETTER FROM THE PRINCIPAL

Dear Alumni, Parents, Faculty, and Friends of Pensacola Catholic High School,

The 2023-2024 school year was another great year that built on the legacy that is Pensacola Catholic High School; I am so grateful to all of you for helping to make it a very blessed year!

This year's annual spiritual theme was 'The Bread of Life' inspired by the National Eucharistic Revival through which the Catholic Church in the United States aims to reaffirm the divine invitation to be united once again around the source and summit of our faith, the Eucharist. Throughout the year, our faculty reminded the students of God's unconditional love, which led Jesus to become man and die for us. Christ's sacrifice on the cross and victory over the grave redeem us from our sins -everyone, no matter how grave the sin. Before He died, Jesus gave us the Eucharist to nourish us, offering himself as the "Bread of Life," and coming to us in every Mass. He comes to us in the Eucharist to make us new.

This year, with the assistance of several local priests, we preceded our monthly Eucharistic Adoration with a Eucharistic

Procession that involved the entire faculty, staff, and student body. I am deeply thankful for the example of our faculty and staff and the loving and caring environment they create, truly an extension of the unconditional love of His Sacred Heart!

We are so proud of the Class of 2024! In the pages that follow, you will find some highlights of their accomplishments and contributions over the past four years. I would like to point out a few - a total of 168 Crusaders graduated with 108 or 64% of them receiving at least one merit-based scholarship totaling \$15.3 million in scholarships. This monetary total includes 57 students or 34% of the class earning Florida Bright Futures scholarships and 17 students earning athletic scholarships to play at the next level. Be sure to see page three of this Report for all the fun facts and figures surrounding this great group of students. We pray that God will keep His protection over them all as they begin the next chapter in their journey to Him!

Many other signs also reflect the academic excellence attained by our students: 44 additional students were inducted into our National Honor Society; the CHS Math Team once again competed in the annual Nicolas S.

Walker Math Tournament and brought home first place overall for the 15th consecutive year; they also competed in the Math Bowl at Northwest Florida State College, placing second in their division and Senior Nate Flores took first overall; our Crubotics/Robotics Team competed in the Ranger and Navigator divisions at the Gulf Coast Regional MATE competition this year during which the Ranger division again qualified to compete at the World Competition in Tennessee this summer for the third consecutive year!

We are also very proud of our nine athletic teams which were recognized in the State for their average unweighted GPAs of 3.2 or higher. Our athletic teams also excelled in the field of play with a total of seven Crusader teams winning District Titles with numerous teams advancing to participate on the regional level. Seven of our teams or individuals from a team also qualified to compete at the State level with two of our athletes earning the 'State Champion' title-Boys' Weightlifting and Girls Tennis. We also won the first-ever 'Bishop's Cup' on the gridiron this past Fall -- it sure is great to be a Crusader!

I am also so grateful to our students and many volunteers who dedicate their time and talent to bring Christ's love to our community. Our student body amassed a yearly total of 30,351 hours of service to various local agencies/organizations through their dedication to our Core Values of Commitment to Service and Selfless Love. Our annual Make a Difference Day event held in September also impacted the community with over 30 different projects led on that day, with more than 420 students and parents volunteering to work! We are so grateful for all those who participated in the various CHS committees and activities that we have all year. You are at the heart of CHS!

In May, we were blessed to see the completion of our new Classroom Wing with Bishop Wack joining us to dedicate and bless the new facility. It includes three new classrooms and a faculty workroom that will be used

when our students return in August. It seems with the completion of every new project that has been a part of our Building on Faith, Family & Tradition Capital Campaign, I hear, "Sister, I don't know how we did it without this....." The Brent Library & Media Center, the Fitness Center, the Training Room, and the locker rooms...have all brought that exclamation! I am happy to report that we have seen an overall decrease in the number of athletic injuries on the field and courts over the past two years. We attribute a great deal of that decrease to the new Training Room and Fitness Center facility that allows us to provide extensive physical conditioning and weight training to all athletes and students! The new Tolan Family Student Life Center has been invaluable in helping us with space for meetings as we often find multiple meetings taking place in the SLC and the Brent Media Center at the same time. Let's face it, the needs of Catholic High have definitely changed since this campus first opened in 1958 and our new facilities continue to show their value to our current students, teachers, and families.

We are so thankful for the wonderful team of staff and parent volunteers who made the annual Starry, Starry Knight Auction, our single parent-led fundraiser, such a great success again this year. It brought in over \$72,000 through both sponsorships and auction proceeds. We are also so blessed to have the generosity and support of the entire Catholic High Family in our annual Gift-Giving and Capital Campaigns that help us to fulfill our Mission: to develop responsible, Christian individuals by providing the finest in Catholic education --- THANK YOU! I invite you to visit page 22 to see more about our Building on Faith, Family & Tradition Capital Campaign as we look to realize the additional projects detailed in our school's Master Growth Plan. We are so grateful for your generous and continued support in helping us realize the dreams we envision for our students!

We praise God for the countless blessings He has showered upon Catholic High! They have made it

possible for us to continue to foster growing faith and to provide the excellent education and personal growth that CHS has always offered to its countless Crusaders!

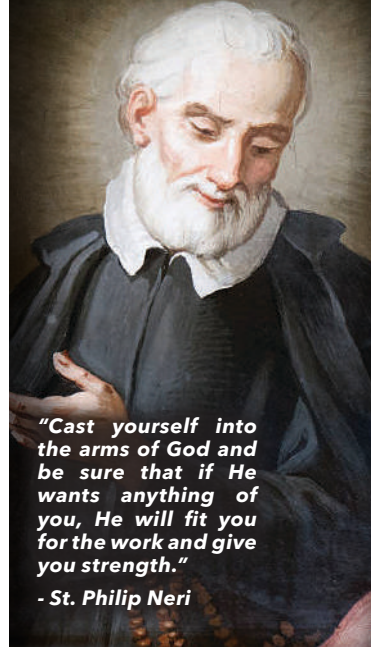

Sincerely yours in Christ,

*Sr. Kierstin Martin*

## GOING GREEN

We realize we said we were planning to 'Go Green' with this year's Annual Report but there is so much going on with the Building on Faith, Family, and Tradition Campaign that we wanted the entire Catholic High Family to see. Please know that when the time is right, we will move in that direction. Also note, that we still need quite a few email addresses in order to send this out digitally. Please see below to update us on your email address...

*We want to hear from you!*

Please go to our website at [pensacolachs.org/update-your-information](https://pensacolachs.org/update-your-information) or use the QR code below to update your information. Alumni, we would also like updates on your life events! We want to share your significant milestones with the rest of the Catholic High Family. We also want to know who has/is serving in our military - visit [pensacolachs.org/served](https://pensacolachs.org/served) to complete an online form about your military service. Past parents, please share this with your adult Crusaders as we want to stay connected with them and they may have fallen off our address list.

# SENIOR AWARDS

## Pro Deo Et Patria Award

Pensacola Catholic High School held their Commencement Exercises on May 18 during which they bestowed a very special award on a member of the Pensacola Catholic High School graduating class. For the past 41 years, this award, named the Pro Deo et Patria Award, recognizes a graduate who dynamically and consistently exemplifies the spirit and ideals of Catholic High School. The ideals are summarized very succinctly in the school motto, "Pro Deo et Patria", translated from Latin to mean "For God and Country." Each year, the faculty and senior class members, by means of a vote of each individual, select a member of the graduating class to receive this honor.

Among the many awards given to graduates each year, this is perhaps the most meaningful and cherished because it recognizes someone who has chosen to live by the ideals and Core Values of Catholic High School -- Selfless Love, Commitment to Excellence, Personal Integrity, and Commitment to Service -to do all *For God and Country*. Congratulations to the 2024 recipient of the Pro Deo et Patria Award - Maria Bush! Maria is presented the Pro Deo et Patria Award by Principal, Sister Kierstin Martin.

"this student athlete is a tenacious competitor who embodies the priceless virtues that a team sport seeks to imbue - passion, persistence, enthusiasm, and camaraderie." Maria always offered a smile to every opponent, win or lose, and she was foremost a constant source of encouragement and support of her fellow teammates. She truly embodies the ideals of respect and good sportsmanship as displayed by Chris Gallman.

The second recipient of the Chris Gallman Award is a young man who competed in both swimming and baseball at CHS. His Swim Coach described him as "a true leader

of the Swim Team for the past two years." He encourages every one of his teammates to strive to do their best both in practices and in meets. He helped them set goals, pushed them in practice, cheered them on in meets, and set the example for them. His Baseball Coach says, "he is the consummate team player, putting the needs of the team before his own. He is a role model for his peers both on and off the athletic field." These are the same selfless attributes exhibited by Chris Gallman. Congratulations, Maria and Chris! Maria Bush and Chris Shashaty were presented the Chris Gallman Sportsmanship Award by Athletic Director, Coach Richard LaBounty.

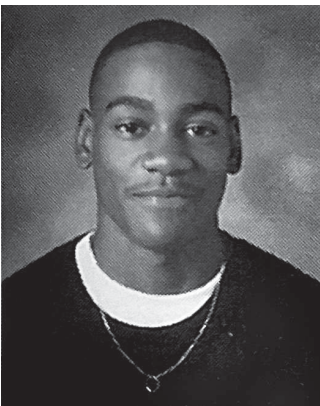

## Chris Gallman Sportsmanship Award

the memory of Chris Gallman by bestowing an award on a graduating senior. Chris was a member of the CHS Class of 1999 and a very talented member of both the Basketball and Track Teams who died very suddenly and tragically in May of 1998, just days after he won the District high jump gold medal at the end of his Junior year, and shortly before he was to leave for the State Track Meet. His death left the Catholic High community stunned and heartbroken. Chris was a very special person - a very talented athlete, a friend to all, rarely seen without a smile on his face and a kind word for everyone - truly the epitome of kindness and good sportsmanship. Shortly after his untimely death, there was a groundswell of desire from all parts of the CHS family - students, teachers, administrators, parents, who all recognized the unique goodness of Chris Gallman and

asked that we establish an award in his honor... to memorialize the goodness he contributed and stood for in his life at Catholic High, his sportsmanship, selflessness, and compassion. These qualities became the focus and criteria for the bestowal of the Chris Gallman Sportsmanship Award. With the input of athletes in each of the 21 CHS Varsity athletic teams, the entire CHS faculty, and the CHS coaching staff, the selection of the recipient(s) for this very special award is conducted each year. In some years, it is just too difficult to select just one athlete to receive this award based on the input about the actions and character of our athletes. This year we have selected two students to receive this award.

The first recipient of the Chris Gallman Award, Maria Bush, participated in Tennis at CHS. Her coach described her by saying,

IN LOVING MEMORY  
CHRIS GALLMAN

Each year during the Pensacola Catholic High School Commencement Exercises, the school honors

# BUILDING ON FAITH, FAMILY & TRADITION

The rich history of Pensacola Catholic High School has roots in the Pensacola community that dates back to 1840 when the first Catholic school for any duration is established in the area and it is another 37 years later in 1877 before continuous Catholic education is documented. In 1941, all Catholic secondary education is centralized in Pensacola and Catholic High School is "born". On September 14, 1941, 170 students report for their first day of school to Pensacola Catholic High School which is located at the corner of Garden and Baylen Streets. The timeline below lays out how we evolved from this first location downtown to our current campus today.

**1957**  
Construction of PCHS on Scott Street is begun in January.

**1965**  
Construction of classrooms 508-511 and the Band Room is completed.

**1980**  
Memorial Field is dedicated and CHS plays first home football games on campus.

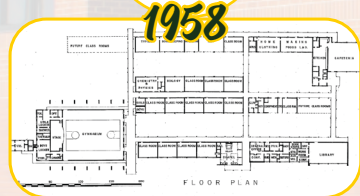

**1991**  
Softball field is moved from Wentworth Street to its current location, adjacent to Baseball Field.

**1994**  
Dedication of the Crusader Baseball/Softball Fieldhouse.

**2001**  
Dedication of the Brent Library and Media Center.

PCHS is dedicated and opens its doors to 485 students.

Outside walkways are enclosed on campus to create interior halls, gym foyer, and the 200 wing classrooms are added.

New home stadium seating on Memorial Field is dedicated.

Casey Crongeyer Memorial Track & Field is dedicated.

Completion of the paving and landscaping of the back parking lot, renovation of the Gym Foyer, and new Football Field and Gym Foyer Concession Stands are completed.

Renovated football stadium is named Gorecki-LeBeau Stadium in honor of Eddie Gorecki and Jacque LeBeau, the amazing duo who spearheaded this dream and built it with the help of current parents, faculty, and students in 1989.

Dedication of the Ruth Johnson Chadbourne Chapel.

Dedication of the Sister Kierstin Martin Classroom Wing which added three new classrooms and a faculty restroom and workroom; replacement of all windows and renovation of restrooms that are original to the Music Building

Dedication of the Tolan Family Student Life Center, Nickelsen Family Courtyard, and Athletic Complex; Renovation of previous Weight Building, restored to be a Music Building.

CHS Gym Entrance is renovated and the Memorial Brick Project installed.

Renovation of the PCHS Catholic High Gym including replacement of the original wooden bleachers.

CHS opens the Crusader Café in the remodeled kitchen of the CHS Cafeteria.

Renovation of the Sacred Heart Science Wing which includes the Conkle and Greskovich Family Science Labs and the installation of the Robert Burke Greenhouse.

Renovation of the Nickelsen Family Administration Building, the 500 classroom wing, the addition of the new visitor seating at Gorecki-LeBeau Stadium, and new windows installed throughout all classrooms.

Addition of perimeter fencing and gates to lock-down access to the academic buildings.

Renovation of the Main Lobby & Office entrance for secured access control, construction of fence line to fully enclose campus buildings, and the addition of new restroom facilities at Gorecki-LeBeau Stadium.

Replacement of the school sign at W. Scott and W Streets.

The Jumbotron makes its first appearance at the Crusader home football games and the new Press Box is added to Gorecki-LeBeau Stadium.

# BUILDING ON FAITH, FAMILY & TRADITION

As someone who was not fortunate to have attended a Catholic high school, a CHS Past-Parent and now a four-year employee of Catholic High, I consider myself extremely blessed to be able to work at CHS and finally get my Catholic school experience! I have had the privilege to work with the wonderful faculty and administrators that Sr. Kierstin has assembled, not only now as an employee, but as a parent volunteer when my students attended. In my current role, I also have the opportunity to work with some AMAZING alumni and current parents. All of these wonderful sub-groups of the Catholic High family are a part of what ultimately makes Catholic High the very special place that it is. However, we also need the brick and mortar of the school to support the wonderful family that works and attends here. I want to share my perspective and some information I have learned in the past few years. Catholic education does not exist without the dedication and commitment of the community and parents who must help to make it a reality. All those who came before us had to contribute and invest in the brick-and-mortar that makes the Catholic High campus what it is today. We, as the community and parents of today, need to do our part to ensure that CHS continues to adapt to the

ever-growing needs of our students. We still have additional projects identified in the updated 2023 Master Growth Plan that have not yet been completed and we need the help of all constituent parties in the Crusader Family to help us realize these dreams.

Did you know that Pensacola Catholic High School does not receive any direct funding from the Diocese of Pensacola-Tallahassee? Yes, we have access to low-interest rates when we need to borrow money for a project, but we don't receive any other direct funds. For those of you who are practicing Catholics and have received a Catholic discount on your tuition, did you know that CHS never receives funds from your parish to cover that discount? We have received periodic donations from parishes in the past for special projects, but no direct, budgeted monies related to reducing your tuition. All funding for Pensacola Catholic High School comes from tuition payments (which now includes a state-funded scholarship program), fundraising projects, and contributions from donors, like you, who support our annual fundraisers and/or capital campaigns when they are held. This Annual Report seeks to share the outcome of those fundraisers and campaigns each year.

You may be wondering about the difference between the Annual Gift-Giving Campaign, that is conducted every year, and the Building on Faith, Family & Tradition Capital Campaign. Today, Catholic High's Tuition structure only includes the expenses needed to educate students for the current academic year. It has not contained any financial component toward capital additions or significant improvements to the campus. Our annual budget provides funds only for minor maintenance repairs and periodic replacement of existing assets, and even then, we rely on grants and/or other donations to make these needed enhancements and acquisitions possible.

The Annual Campaign raises funds to cover one-time, expenses and projects that arise during the school year. This helps us keep tuition as affordable as possible. The funds are used to cover expenses in the following areas:

- To enhance salaries/benefits which enables us to attract and retain quality faculty
- To provide educational materials that help us offer quality courses and the technology/ software solutions to support them
- To provide tuition assistance to those who qualify, to help

make our school accessible to all those who wish to attend

- To design and undertake projects that provide maintenance on existing assets or enhancements to facilities, technology, etc.
- A Capital Campaign is conducted following a detailed Master Growth Plan that is developed by our School Advisory Committee on a periodic basis. In recent history, Catholic High has had two such capital campaigns.
- 1999, Building on the Legacy of Excellence - To fund projects on the original Master Growth Plan and timeline for completion from between 1999 - 2004
  - 2018, Building on Faith, Family & Tradition Phase 1, paused by COVID-19 - \$6M goal of which \$4M was raised to fund projects on our second Master Growth Plan and on the timeline for completion between 2018 - 2024. Naming Opportunities that cover part of our additional projects were also received from donors during this phase but additional funds are needed to undertake and complete these projects and dreams.
  - 2023, Building on Faith,

Family & Tradition Phase 2, re-started in Fall, 2023 - New \$6M goal to complete the projects identified in the Updated Master Growth Plan that are detailed on the Catholic High website at [pensacolachs.org/capitalcampaign](https://pensacolachs.org/capitalcampaign).

Realistically not all of us can afford a gift of thousands of dollars, but take a look at the suggested scenario below that illustrates how valuable every gift is in adding up to help us reach our goal!

Number of Donors	Monthly Gift for 5 Years	Total Gift
700	\$10	\$420,000
500	\$25	\$750,000
500	\$50	\$1,500,000
300	\$100	\$1,800,000
50	\$500	\$1,500,000
		\$5,970,000

Where can you fit into in this scenario?

**--Parents,** please consider pledging some of the savings you have received from the benefit of the State scholarship entering their second year.

**--Alumni,** please don't forget about the Alumni Challenge that was recently started. Check the next page to see which Class is the current "winner" for the 2023-24

school year. But, please remember that this challenge will continue until the end of the campaign five years from now so you still have plenty of time to 'jump in'. There are so many ways to give - check, credit card, bank drafts, gifts of stock, etc. Please reference the 'Frequently Asked Questions' document on the campaign website. Please determine in which scenario you can make a sacrificial gift so that we can reach our goal to continue Building on the Legacy that is Catholic High! Please utilize the below QR codes (which should work on your SmartPhone) or enter the website shortcuts into your browser to learn more or to begin your donation. If you have any questions, please call me directly at 850-436-6400 x103 or email [rlay@pensacolachs.org](mailto:rlay@pensacolachs.org).

Many blessings,

## ALUMNI CHALLENGE 2023-2024 "WINNERS"

The Alumni Challenge includes all donations from Phase One and Phase Two. It recognizes the Class that has had the most participation of living classmates by percentage of living classmates. We will also recognize classes based on the combined total of giving that have reached a milestone included on the Pillars Plaque (see legend of Donor Levels). Keep in mind that this challenge is perpetual until the end of the campaign and each year the Annual Report will indicate the Class that has won for the given year, and the one that is winning overall - it's not too late to pledge!

This year we decided to post the data on the Top Ten Classes so you can see how the percentages look. There are several classes already "reaching out there" to make a HUGE impact and we are so grateful!

CLASS YEAR	LIVING ALUMNI	TOTAL DONORS	TOTAL PARTICIPATION
1943	4	1	25.00%
1951	12	2	16.67%
1948	13	2	15.38%
1944	8	1	12.50%
1957	40	5	12.50%
1945	10	1	10.00%
1978	171	14	8.19%
1995	79	6	7.59%
1973	163	12	7.36%
1962	97	7	7.22%
1994	89	6	6.74%

Pictures of the Class of 1960 and 1961. The Class of '60 held their reunion and invited the Class of '61 to join along. I'm sure it had nothing to do with the fact that five guys in the class are married to five girls from the '61 class!

Group picture from the recent 55-year CLASS Reunion of the CLASS of 1969. Looks y'all had a great time!

Catholic High Alumna Christine Miller Day from the Class of 1980 retired at the end of the '23-'24 school year after a 30-year teaching career in the Pensacola-Tallahassee Dioceses. She began teaching at St. Paul's School in 1994 and then in 2004 moved to her dream job at Catholic High School to teach Senior Religion when her former teacher, Peggy Soule, retired. She will be missed within the halls of CHS but we wish her the best in retirement with her Alumnus husband, Michael, from the Class of 1978! Pictures represent her Senior Portrait, and the first and last Yearbook Picture at CHS - she wasn't class president!
