I like being a Crusader because it gives me a sense of purpose. I feel that I am able to help others and also show how to live through and with Christ. The teachers are so caring and understanding. They really want to get to know you and they are always there for you when you need them. CHS has given me the ability to have both a social life and challenging academic life. I'm able to do everything I love as well as getting a great education.

Lennon Lusane, Class of 2026

I am proud to be a Crusader because it means that I represent Catholic High and its ideals, including the Core Values, which are a big part of my life. I also like that my teachers are always willing to help me!

Lilah Messerly, Class of 2026

I like the excellent education that Catholic High provides. The faculty and staff at Catholic not only give you the best education possible but also make you feel a part of a family. The teachers are always willing to stay after school to help you with anything you might struggle with. I feel like I am getting a great academic foundation but still have time to do the extracurricular things I want to do while still keeping up with my grades.

Making a Difference

Catholic Identity

I love being a Crusader because of the strong sense of community and unique education environment where Christianity is rooted in the culture of the school.

Ella Cage, Class of 2026

I am proud to be able to wear the Catholic “C” on my chest because I know I am representing a school community that stands for Commitment to Excellence, Commitment to Service, Selfless Love, and Personal Integrity. These Core Values have made my experience as a Crusader special in a way that has drawn me closer in my relationship with God and has made me a better person, classmate, and friend.

Ella Adams, Class of 2026

I am proud to be a Crusader because I am getting a quality education while incorporating Love of the Lord into my learning. CHS has many qualities such as excellent teachers and staff, a variety of sports and clubs, and the incorporation of Catholicism into all aspects of what we do. This culminates in the best school experience for the students.

"We love Catholic High!" This seems to be our quick but genuine response every time we are asked about the school we've chosen for our children. We love the family environment where teachers, administrators, and other CHS community know our children and us by name. We love the warm, caring spirit of the school balanced with gentle guidance and the structure kids need to thrive. We love how our children have been prepared academically and supported emotionally to confidently reach toward their next goals.

Sending our children to Pensacola Catholic High School has been one of the greatest blessings for our family. The school provides not only an excellent education, but also a truly inclusive environment where every student feels welcome and valued. Our children have built lifelong friendships and meaningful connections, all within a community that feels like family. Both of our children were challenged academically, grew socially, and well prepared for post graduation. Pensacola Catholic is more than just a school—it's a place that nurtures faith, character, and a strong sense of belonging.
