(Second Chance Act), effective July 1, 2026, all first-time high school participants in FHSAA athletics must have an Electrocardiogram (ECG) screening before participation. This applies to students with no cardiac symptoms. Students with cardiac symptoms should consult their healthcare provider. An ECG completed within two (2) years prior to July 1 of the participation year satisfies this requirement. If the ECG requires further evaluation, the student must be cleared by a licensed medical practitioner trained in the diagnosis, evaluation and management of ECGs before participating in FHSAA athletic competition, practice, tryouts, or workouts.
