The Second Source of Financial Aid is State-Funded Scholarships

Pensacola Catholic High School accepts the following state-funded scholarships. ALL Florida residents are eligible regardless of income. Every family is encouraged to apply via www.stepupforstudents.org OR www.AAAscholarship.org. Families may use only one state-funded scholarship. CHS accepts the following state scholarships:

- Florida Tax Credit Scholarship (FTC)
- Family Empowerment Scholarship for Educational Options (FES-EO)
- Family Empowerment Scholarship for Students with Unique Abilities (FES-UA)

If your family is applying for any state-funded scholarship(s), it is imperative that the CHS Finance Office be notified. **You are responsible for the full cost of your child's attendance until an award letter and/or confirmation of enrollment is received from the funding entity (i.e. Step Up For Students, or AAA Family.**

Tuition Payment Plans

Tuition payments may be made according to several payment plan options: annual, semi-annual, quarterly, or monthly over 12 months using a FACTS tuition payment plan (the Diocesan-mandated payment method).

For the 2026-2027 school year, the first tuition payment, on any payment plan, is due by May 10, 2026. Personal or company checks will not be accepted after April 10, 2027. Payments after this date must be in the form of cash, cashier's check, or money order.

Our tuition policy states: Any time a family's account is more than one month behind, the student(s) will not be permitted to attend class. Once the account is current, the student(s) may return to class. In order to avoid impacting your student's education, please make all monthly payments by the 10th of each month. Any family in violation of this policy will also receive an invoice for the specific amount due from the CHS Finance Office.

Early Withdrawal

If a student withdraws from school prior to the beginning of the school year, two months of tuition is non-refundable. If a student withdraws from school once classes have begun, tuition, up to and including the quarter in which the student withdraws, is non-refundable. Between May and August of 2026, families must remain current in their monthly tuition payments in order to hold their child's spot for the 2026-27 school year.

Student Laptop Lease Fees

All students must enter a lease-to-purchase agreement with CHS in order to acquire a school-assigned MacBook. The lease fee will be for 48 months and is paid in conjunction with the tuition payment schedule selected by the parent, all of which begin in May, 2026, for 2026-2027 school year.

Class of 2027:	\$55/mo. \$660/yr.
Class of 2028:	\$58/mo. \$696/yr.
Class of 2029:	\$59/mo. \$708/yr.
Class of 2030:	\$57/mo. \$684/yr.

(Laptop Insurance is Included in this amount.)

(Registration fees are non-refundable.)

Athletic Fee

Families with a student-athlete must assume responsibility for buying/selling one Athletic Raffle ticket @ \$100 for each sport in which the student participates (limit 3) OR the amount due will be added to the student's annual tuition.

Crusader Activity Fee

The \$115 Crusader Activity Fee funds three services:

1. It includes membership in the CHS Student Council and provides the Class T-Shirt for all members.
2. The annual student fundraising contribution.
3. It funds admission to every home, regular season athletic event for each student for the entire year.

Payment of the \$115 Crusader Activity Fee is due by September 30, 2026.

Annual Capital Improvement Fee

Beginning with the 2025-26 school year, a \$900 Annual Capital Improvement Fee will be charged per child for all CHS students. The Annual Capital Improvement Fee will be paid over 12 months and is paid in conjunction with the tuition payment schedule selected by the parent, all of which begin in May, 2026, for 2026-2027 school year. It will provide for needed capital improvements for the CHS campus.

Textbook and Annual Fees

Textbook fees vary with course selection. The estimated cost range for books, digital licenses, and other fees ranges from \$500-\$800 per student. Textbook costs and annual fees must be paid in full before the first day of school.

Adaptive Education Program (AEP) Fee

Each student enrolled in the AEP pays a fee that ranges from \$50-\$400, depending on the level of support received by the student.

Sources of Financial Aid for CHS Students

There are two sources of Financial Aid for CHS students.

The first source is:

CHS-Funded Financial Aid

This source of Financial Aid is funded solely by CHS for those in need of financial assistance for tuition and/or laptop fees.

Catholic High School uses the services of a third-party vendor, FACTS Grant & Aid Assessment, to assess financial need. CHS attempts to assist families whose ability to invest in private school education is less than their incurred costs.

Financial Aid Applications are available to anyone who has a registered student at Catholic High School. All financial aid granted to CHS students (for tuition and/or laptop assistance) is granted on the basis of family financial need.

For returning students, Financial Aid applications are available in January. For incoming Freshmen, the applications are available at the time of registration. A new application must be submitted each school year.

Once a determination on a family's application has been rendered by FACTS Grant & Aid, the CHS Finance Office will inform parents—typically by the middle of April—of the amount of tuition assistance and/or laptop assistance to be granted. These amounts are determined by the difference between the tuition/laptop lease amount and the Effective Family Contribution as determined by the FACTS application.
